Thanks Gary. Weather permitting, we will be installing the signs on Wednesday (5/1/13). I will e-mail you a photograph after they are installed.

Thanks again.

Eric

Hi Gary –

Just to confirm that we are on the same page with regard to the locations of the two Gulfco signs (I think we are), attached is a figure showing where I was anticipating that we would install them. Could you please confirm these are OK with you or indicate where you would like them?

Thanks.
